

WORKS OUTING

summer programme

Dear all,

The date is fixed and the coach is booked. Please read the whole note before you reply, because two of the details changed since the last one.

The trip is **confirmed** ! Everything below follows from that.

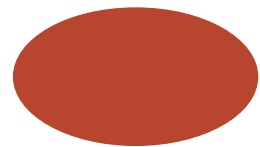

Saturday

Coach leaves at eight from the yard. Bring something warm for the evening.

Dinner is at the old mill house , booked for nine.

Dress code: something warm.

If you cannot make it, say so before the end of the week so the numbers are right for the kitchen.
